Parents/guardians should deliver their children to the pitch and collect them from the pitch and coaches cannot take responsibility for the children in the space between the car park and the pitch.

Training Kit

Players should wear shorts/a skort/tracksuit bottoms and appropriate hockey shoes to training sessions. We ask that all players come equipped with shin pads and a mouth guard. A protective glove(s) will become increasingly desirable as your child develops his/her game. Please note hockey sticks can be provided.

Playing Kit for Matches

Players will be advised what to wear for matches.

Communication

Primary preference for communication now and throughout the season will be by email. In the event of adverse weather conditions you can contact Jersey Hockey's Administrator and Coordinator of the Development Programme, Sarah Heelis, (contact@jerseyhockey.co.uk) or 07797 725716 (**using text messages only please**). If your child is unable to attend a training session for any reason please inform Sarah as soon as possible.

Jersey Hockey also communicate with their membership via our website – www.jerseyhockey.co.uk,

via Facebook <https://www.facebook.com/jerseyhockey/>

via Twitter [@Jersey_Hockey](https://twitter.com/Jersey_Hockey).

And via Instagram [jerseyhockey](https://www.instagram.com/jerseyhockey)

We urge parents/guardians not to take up any issues direct with their coach(es). If you have any queries we would ask that you contact Sarah Heelis in the first instance please (contact@jerseyhockey.co.uk or 07797 725716). You could also contact one of our child Welfare Officers, the details of whom can be found at:

<https://jerseyhockey.co.uk/juniors/protecting-young-people>.

All concerns will be taken seriously, investigated and treated in the strictest confidence with only the people who can help the situation becoming involved if required.

Safety

Safety is very important, as is ensuring that your child observes certain precautions. The use of **hockey** shin guards and a mouth guard is highly recommended and a protective glove will become increasingly desirable as your child develops his/her game. Your child should always respect other players around him/her and recognise that misuse of a hockey stick and ball can cause injuries.

Behaviour and Discipline

Good behaviour is very important and can be linked to safety. We expect players to respect each other, their coaches and opponents, the group and coaching officials and all parents and spectators. If we are not satisfied with a player's behaviour we will initially discuss this with him/her alongside his/her parent(s)/guardian(s) - a first general warning. Further dissatisfaction with his/her behaviour will trigger a further discussion with his/her parent(s)/guardian(s). Ultimately we reserve the right to dismiss a player

from the coaching group without any refund. We expect all players to adhere to the young people's code of conduct and behaviour as defined under The England Hockey Code of Ethics and Behaviour which can viewed at:

<https://www.englishockey.co.uk/governance/rules-and-regulations>

Insurance

Accidents and injuries can, and do, happen on the hockey pitch. If your child unintentionally causes the accident or injury to another person then, subject to the facts of the incident, there is cover under the Public Liability insurance taken out by Jersey Hockey on behalf of all its members. This policy, however, *does not* cover personal injury to the injured party. Jersey's Hockey's Insurance Statement can be viewed at <https://jerseyhockey.co.uk/about/insurance>.
